

Dear Principals and Teachers,

Dance World Cup – Hong Kong Qualifying 2024

Dance With The Best!

We are so excited to announce the upcoming **Dance World Cup - Hong Kong Qualifying Match 2024**. The competition is open to all local amateur dancers, from age 4 to 25. This competition will be a great way to show off their dance skills and meet new friends. We also open the door for the competitors to go overseas to compete with other young dancers from around the world later in the year. In 2023, we had led over 200 dancers from Asia to attend the Dance World Cup Final which was held in Braga, Portugal. Over 7500 dancers had intense competition in this one of the greatest all-genre World Dance Finals for 9 days.

We would like to congratulate all dancers and teachers who worked so hard, and to the parents and family members, who showed such positive support and trust in us. We thank you! We are always overwhelmed by the high standard of dance in all age categories. The beautiful costumes always amaze us!

Dance World Cup Hong Kong Qualifying 2024 will be here soon. **We cordially invite your School to participate in the next "Dance World Cup - Hong Kong Qualifying Match 2024" which will be held in coming February.** Dancers who qualified in the Hong Kong Qualifying match will be entitled to take part in the "Dance World Cup Finals 2024", which will be held in Prague, Czech Republic from 27 June to 6 July 2024. There is only the "Ballet – Any Style" for enrolment.

Dancers can dance repertoire but please bear in mind the dance movements should be adequate for the dancer. It is suggested the teachers should modify or choreograph new movement for the dancer.

- Ballet : At Children / Junior / Senior,

We already have "Repertoire" and "Not-repertoire" category.

Please select the adequate category, dance at the incorrect category will be disqualified.

And please remind read Rules #25.1h which name a few choreographers' work that is not allowed to dance at Dance World Cup.

- Quartet :

It's only limit to Ballet. For other genre, 4 dancers already classified into Small Group.

- Jazz : For Mini class,

It is not encouraged to put too many acro technique and movement in Jazz dance.

- Song & Dance :

At Final 2023, we found the Song & Dance do include significant portion of Song-singing at the dance. Teachers can train their dancers on singing.

These are just a few points we need to point out as per our experience in 2023 Qualifyings. Teachers are suggested to read our Rules in details before choreography.

Thanks for your attention.
