Title:	Finding Chika
Author:	Mitch Albom
Publisher:	Harper
Target:	P.4 – P.6
Sharing:	<p>I would like to share the book Find Chika by Mitch Albom. It is a touching experience between the author and the little girl Chika.</p> <p>Chika was born three days before the 2010 Haiti earthquake. Her mother died after giving birth to her younger brother, so she was taken to the orphanage founded by the author. From then on, she met the author and his wife, which deeply changed the author's life.</p> <p>Chika was a confident and courageous girl who was liked by everyone. However, when Chika was five years old, she was diagnosed with from an illness which was untreatable in Haiti. The author brought Chika back to the United States to seek for medical treatment. During this two-year medical journey, the author learnt a great deal about caring for a child, the definition of family and unconditional love.</p> <p>The author's sharing makes me reflect on the love in a family. I believe their experiences will also move you.</p>
